

BLOOMIN' LOVELY PRINTS

INSTRUCTIONS:

- 1 Print out the following page
- 2 Ask an adult to carefully cut out the shapes on the next page
- 3 Pick your potatoes and make sure they are big enough for the shapes
- 4 Have an adult carefully cut the potatoes in half
- 5 Using the shapes as stencils, draw around them on the flat side of the potatoes
- 6 Ask an adult to carefully, using a knife, cut around the design on the potato and remove the outer edges to make the stamps
- 7 Using a towel, blot the potatoes to get rid of as much excess moisture as possible or leave to dry overnight
- 8 Your potato stamps are now ready to be dipped in paint & printed!
- 9 Great for making your very own cards or using parcel paper to make your own eco-friendly wrapping paper
